Attendance at the Museum is limited through capacity control. The alteration of routes, the ordering of entrances and exits or the exclusion of rooms for security reasons may be established.

Access via the Nouvel Building (Ronda de Atocha 2) is recommended.

DURING THE VISIT

- Luggage, large backpacks and bulky objects are not allowed in the Museum. It is also forbidden to leave them in the lockers. The lockers are limited and may be occupied, so it is recommended that you do not bring any belongings that require storage. Backpacks exceeding 50 cm in length are not permitted. Please consult our access conditions to plan your visit.
- It is permitted to enter with handbags, whose dimensions do not exceed 40x30x10 cm, and remain placed on the front of the body.
- Photographs may be taken without flash, tripod or any camera stabiliser, except where otherwise indicated.
- To ensure the quality of the visit for all visitors, please keep your voice down, use the silent mode on your telephone and take calls outside the rooms.
- For the conservation needs of the works, they are kept at a constant temperature of 21ºC. On warm days, it is recommended that you wear a warm garment during your visit.
- Visitors under 14 years of age are welcome at the Museo Reina Sofía and must be accompanied by an adult. We ask for the cooperation of families and accompanying persons.
